DECLARATION OF CORTNEY L. ROMANS

Mail Stop Patent Application
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

I, Cortney L. Roman, being duly cautioned, depose and state the following:

1. I am a law clerk for Toyota Motor Manufacturing North America, Inc. ("TMMNA"), and work under the supervision of Mr. David L. Meier, an attorney for TMMNA.

2. Pursuant to Mr. Meier's instructions, on or about January 10, 2003, I contacted the Human Resources Department at TMMNA in order to obtain Mr. Dwayne Mattox's last known address and telephone number and obtained the following information from TMMNA's corporate records:

1217 Colorado Road
Lexington, Kentucky 40509
Telephone: 859-263-5716

This address and telephone number was the same as that earlier obtained by Mr. Meier. The internal telephone number has had a new subscriber (i.e. new user) associated with this telephone number since August 15, 2002.

3. On or about January 13, 2003, I searched the telephone book and Internet in an attempt to locate Mr. Mattox and/or verify his current whereabouts by searching various combinations and spellings of his name and discovered a Mr. Dwaine Mattox (different spelling) in Lexington with the telephone number: 859-296-0328. I attempted to reach someone at this number on or about January 13, 2003, and upon receiving no response, I left a message requesting that if a Mr. Mattox formerly associated with Toyota Motor Manufacturing of Kentucky ("TMMK") lived at this address that he please return my call as soon as possible. As of today, I have not received a response.

4. On or about January 16, 2003, I placed email request at TMMK, including Chandra Jarboe in the Human Resources Department, Karen Yanetti (payroll), Michele Drake (Benefits/Cobra), and with Mr. Mattox's former bosses, Debbie Poe his Assistant Manager, and co-developers, in an attempt to find out if anyone could tell me how we could locate Mr. Mattox. These efforts produced no additional information regarding Mr. Mattox's whereabouts. I also placed a call with Kentucky's Department of Motor Vehicles, but received no additional information regarding Mr. Mattox's current residence.

5. Attached as **Exhibit 1** is a true and correct copy of the letter of instructions which was wrote and sent by Mr. Meier on behalf of TMMNA to Mr. Mattox's last known address on January 16, 2003. The letter transmitted a full copy of the patent application and its formal filing documents, and requested that he review the copy of the dolly device patent application so that an arrangement could then be made to execute the enclosed Declaration and Assignment. The letter was sent to Mr. Mattox's last known address:

Mr. Dwayne Mattox
1217 Colorado Road
Lexington, Kentucky 40509

6. Attached as **Exhibit 2** is a true and correct copy of the envelope sent to Mr. Mattox's last known address with the January 16, 2003 letter. The envelope shows that it was returned by the U.S. Postal Service to TMMNA, unopened, on or about January 18, 2003, and was marked "Moved Left No Address."

7. We have diligently attempted to reach Mr. Mattox, and have exhausted all known avenues of finding Mr. Mattox and presenting him with the patent application for review and execution of the Declaration and Power of Attorney.

Re: X-Dolly development at TMMK

Dear Dwayne;

As you may remember, we spoke about the X-Dolly nearly a year ago. I am writing this letter to congratulate you on your contributions to the development of the X-Dolly at TMMK. You and your Co-developers should be proud of your accomplishments. As you may know, Toyota is proceeding with the Patent application for the development of the X-dolly. To facilitate this process we would like your assistance. We will need you to review the enclosed application and eventually I will need to arrange for your signature on the Declaration/Power of Attorney and an Assignment Agreement. These documents are also enclosed for your review. Toyota is well aware of the dedication that went into the development of the X-Dolly and we commend you and the other developers for your efforts and achievement.

I am sure that you will have questions regarding this process. Please feel free to call me at 859-746-4163 at your earliest convenience.

Sincerely,

David L. Meier
